\$63,000,000

August 30, 2012

**PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY** (hereinafter called the "Authority"), a public corporation and autonomous instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay, solely from the sources described in the Loan Agreement mentioned herein, to the order of Government Development Bank for Puerto Rico (the "Lender"), at its principal office in San Juan, Puerto Rico, on August 30, 2012, subject to prepayment as set forth below, the principal sum of **SIXTY THREE MILLION DOLLARS (\$63,000,000)**, (the "Loan"), to the extent that such amount or any portion thereof has been borrowed by the Authority under the Loan Agreement, dated July 13, 2010, between the Authority and the Lender and remains unpaid. Such payment shall be made in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Authority hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from any available moneys of the Authority. Each Drawing shall bear interest daily from the date such Drawing is made until its repayment at a variable rate of interest per annum equal to Prime Rate plus 150 basis points, as determined from time to time in good faith by the Lender, or, upon written notice to the Borrower, at a variable rate of interest per annum, which interest rate may be revised periodically, equal to the Lender's cost of funding for variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Loan. The President of the Bank or the duly authorized Executive Vice President of the Bank may modify the interest rate at anytime at their full discretion, depending on the interest rate/market.

Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Lender of the statement referred to in the next sentence of this paragraph, from amounts available from any available moneys of the Authority. Each month the Bank shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on the Loan for the preceding month. The Authority may prepay the Line of Credit at any time without penalty or premium. This Note is issued pursuant to a Loan Agreement between the Authority and the Lender subscribed on this same date.

The Authority waives the requirement of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

If the Authority defaults in making any payment when due under this Note, the Lender may declare this Note to be immediately due and payable.

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due under this Note, the Administration agrees to pay a liquidated sum equal to 10% of the principal sum of this Note to cover expenses of such proceedings, court costs, disbursements and attorney's fees,

## PROMISSORY NOTE

\$45,000,000

Due date: August 27, 2011

The **PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY** (hereinafter called the "Authority"), a public corporation and autonomous instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay, solely from the sources described in the Loan Agreement mentioned herein, to the order of Government Development Bank for Puerto Rico (the "Lender") at its principal office in San Juan, Puerto Rico, on August 27, 2011, subject to prepayment as set forth below, the principal sum of **FORTY FIVE MILLION DOLLARS (\$45,000,000)** to the extent that such amount or any portion thereof disbursed under the Loan Agreement executed on this same date remains unpaid. Such payment shall be made in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Authority hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from proceeds of bonds to be issued by the Authority pursuant to the provisions of the respective sections of the Resolutions or from any available moneys of the Authority.

Each Advance shall bear interest daily from the date of disbursement until paid in full at a fluctuating annual rate of interest equal to one and one half percent (1.5%) over and above the Prime Rate, as determined from time to time in good faith by the Lender, or, upon written notice to the Authority, at a variable rate of interest, which interest rate may be revised quarterly, per annum equal to the Lender's cost of funding for variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Advance. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to an Advance will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. For purposes of this Note, the applicable interest rate shall not exceed twelve (12) percent and shall not be less than six (6) percent.

Anything hereunder to the contrary notwithstanding, and without prejudice to any remedies of the Lender provided hereunder or at law or in equity, the interest rate applicable to the outstanding principal amount of each Advance during any period when an Event of Default shall have occurred and be continuing shall be four percent (4.0%) over the otherwise applicable interest rate (the "Default Rate").

Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Lender of the statement referred to below, from any available moneys of the Authority. Each month the Lender shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on all outstanding Advances for the preceding month. The Loan shall be junior and subordinate to outstanding bonds of the Authority and shall be subject to certain other terms and conditions, as set forth in the Loan Agreement (as defined below). Payment of principal and interest on the Loan shall be made in any coin or currency of the United States of America, which at the time of payment shall be legal tender for the payment of public and private debts.

This Note is under and pursuant to the Loan Agreement dated as of August 27, 2010 (as modified and supplemented and in effect from time to time, the "Loan Agreement") between the Borrower and Government Development Bank for Puerto Rico, as Lender and evidences the Advances made by the Lender thereunder, and is subject to the terms thereof. Terms used but not defined in this Note have the respective meanings assigned to them in the Loan Agreement.

The Authority waives the requirement of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

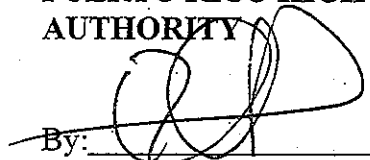

If the Authority defaults in making any payment when due under this Note, the Lender may declare this Note to be immediately due and payable.

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due under this Note, the Administration agrees to pay a liquidated sum equal to 10% of the principal sum of this Note to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.

All acts, conditions and things required by the Puerto Rico Federal Relations Act and the Constitution and Laws of the Commonwealth of Puerto Rico to happen, exist, and be performed precedent to and in the issuance of this Note have happened, exist and have been performed as so required. This Note shall be construed in accordance with the laws of the Commonwealth of Puerto Rico.

**IN WITNESS WHEREOF**, the Authority has caused this note to be signed by its Executive Director and its corporate seal to be affixed hereto, in San Juan, Puerto Rico, this 27th day of August, 2010.

PROMISSORY NOTE

\$47,362,350.75

Due date: August 27, 2013

The PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY (hereinafter called the "Authority"), a public corporation and autonomous instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay, solely from the sources described in the Loan Agreement mentioned herein, to the order of Government Development Bank for Puerto Rico (the "Lender") at its principal office in San Juan, Puerto Rico, on August 27, 2011, subject to prepayment as set forth below, the principal sum of **FORTY SEVEN MILLION THREE HUNDRED SIXTY TWO THOUSAND THREE HUNDRED FIFTY DOLLARS WITH SEVENTY FIVE CENTS (\$47,362,350.75)** to the extent that such amount or any portion thereof disbursed under the Loan Agreement executed on this same date remains unpaid. Such payment shall be made in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Authority hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from proceeds of bonds to be issued by the Authority pursuant to the provisions of the respective sections of the Resolutions or from any available moneys of the Authority.

Each Advance shall bear interest daily from the date of disbursement until paid in full at a fluctuating annual rate of interest equal to one and one half percent (1.5%) over and above the Prime Rate, as determined from time to time in good faith by the Lender, or, upon written notice to the Authority, at a variable rate of interest, which interest rate may be revised quarterly, per annum equal to the Lender's cost of funding for variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Advance. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to an Advance will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. For purposes of this Note, the applicable interest rate shall not exceed twelve (12) percent and shall not be less than six (6) percent.

Anything hereunder to the contrary notwithstanding, and without prejudice to any remedies of the Lender provided hereunder or at law or in equity, the interest rate applicable to the outstanding principal amount of each Advance during any period when an Event of Default shall have occurred and be continuing shall be four percent (4.0%) over the otherwise applicable interest rate (the "Default Rate").

Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Lender of the statement referred to below, from any available moneys of the Authority. Each month the Lender shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on all outstanding Advances for the preceding month. The Loan shall be junior and subordinate to outstanding bonds of the Authority and shall be subject to certain other terms and conditions, as set forth in the Loan Agreement (as defined below). Payment of principal and interest on the Loan shall be made in any coin or currency of the United States of America, which at the time of payment shall be legal tender for the payment of public and private debts.

This Note is under and pursuant to the Loan Agreement dated as of August 27, 2010 (as modified and supplemented and in effect from time to time, the "Loan Agreement") between the Borrower and Government Development Bank for Puerto Rico, as Lender and evidences the Advances made by the Lender thereunder, and is subject to the terms thereof. Terms used but not defined in this Note have the respective meanings assigned to them in the Loan Agreement.

The Authority waives the requirement of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

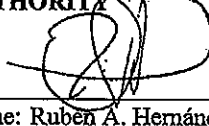

If the Authority defaults in making any payment when due under this Note, the Lender may declare this Note to be immediately due and payable.

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due under this Note, the Administration agrees to pay a liquidated sum equal to 10% of the principal sum of this Note to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.

All acts, conditions and things required by the Puerto Rico Federal Relations Act and the Constitution and Laws of the Commonwealth of Puerto Rico to happen, exist, and be performed precedent to and in the issuance of this Note have happened, exist and have been performed as so required. This Note shall be construed in accordance with the laws of the Commonwealth of Puerto Rico.

IN WITNESS WHEREOF, the Authority has caused this note to be signed by its Executive Director and its corporate seal to be affixed hereto, in San Juan, Puerto Rico, this 27th day of August, 2010.

LEY 47 DE 4 DE JUNIO DE 1987

PROMISSORY NOTE

\$70,937,649.25

Due date: August 27, 2013

The **PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY** (hereinafter called the "Authority"), a public corporation and autonomous instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay, solely from the sources described in the Loan Agreement mentioned herein, to the order of Government Development Bank for Puerto Rico (the "Lender") at its principal office in San Juan, Puerto Rico, on August 27, 2011, subject to prepayment as set forth below, the principal sum of **SEVENTY MILLION NINE HUNDRED THIRTY SEVEN THOUSAND SIX HUNDRED FORTY NINE DOLLARS WITH TWENTY FIVE CENTS (\$70,937,649.25)** to the extent that such amount or any portion thereof disbursed under the Loan Agreement executed on this same date remains unpaid. Such payment shall be made in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Authority hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from proceeds of bonds to be issued by the Authority pursuant to the provisions of the respective sections of the Resolutions or from any available moneys of the Authority.

Each Advance shall bear interest daily from the date of disbursement until paid in full at a fluctuating annual rate of interest equal to one and one half percent (1.5%) over and above the Prime Rate, as determined from time to time in good faith by the Lender, or, upon written notice to the Authority, at a variable rate of interest, which interest rate may be revised quarterly, per annum equal to the Lender's cost of funding for variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Advance. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to an Advance will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. For purposes of this Note, the applicable interest rate shall not exceed twelve (12) percent and shall not be less than six (6) percent.

Anything hereunder to the contrary notwithstanding, and without prejudice to any remedies of the Lender provided hereunder or at law or in equity, the interest rate applicable to the outstanding principal amount of each Advance during any period when an Event of Default shall have occurred and be continuing shall be four percent (4.0%) over the otherwise applicable interest rate (the "Default Rate").

Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Lender of the statement referred to below, from any available moneys of the Authority. Each month the Lender shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on all outstanding Advances for the preceding month. The Loan shall be junior and subordinate to outstanding bonds of the Authority and shall be subject to certain other terms and conditions, as set forth in the Loan Agreement (as defined below). Payment of principal and interest on the Loan shall be made in any coin or currency of the United States of America, which at the time of payment shall be legal tender for the payment of public and private debts.

This Note is under and pursuant to the Loan Agreement dated as of August 27, 2010 (as modified and supplemented and in effect from time to time, the "Loan Agreement") between the Borrower and Government Development Bank for Puerto Rico, as Lender and evidences the Advances made by the Lender thereunder, and is subject to the terms thereof. Terms used but not defined in this Note have the respective meanings assigned to them in the Loan Agreement.

The Authority waives the requirement of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

If the Authority defaults in making any payment when due under this Note, the Lender may declare this Note to be immediately due and payable.

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due under this Note, the Administration agrees to pay a liquidated sum equal to 10% of the principal sum of this Note to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.

All acts, conditions and things required by the Puerto Rico Federal Relations Act and the Constitution and Laws of the Commonwealth of Puerto Rico to happen, exist, and be performed precedent to and in the issuance of this Note have happened, exist and have been performed as so required. This Note shall be construed in accordance with the laws of the Commonwealth of Puerto Rico.

IN WITNESS WHEREOF, the Authority has caused this note to be signed by its Executive Director and its corporate seal to be affixed hereto, in San Juan, Puerto Rico, this 27th day of August, 2010.

EXENTO DEL PAGO DE ARANCEL  
LEY 47 DE 4 DE JUNIO DE 1982

UNITED STATES OF AMERICA  
COMMONWEALTH OF PUERTO RICO  
PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY

\$140,000,000.00

June 30, 2009

PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY (hereinafter called the "Authority"), a public corporation and autonomous government instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay, solely from the sources described in the Loan Agreement mentioned herein, to the order of Government Development Bank for Puerto Rico (the "Lender") at its principal office in San Juan, Puerto Rico, on June 30, 2009, subject to prepayment as set forth below, the principal sum of ONE HUNDRED FORTY MILLION DOLLARS (\$140,000,000.00) to the extent that such amount or any portion thereof has been borrowed by the Authority under the Loan Agreement (hereinafter defined) and remains unpaid. Such payment shall be made in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Authority hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from proceeds of bonds to be issued by the Authority pursuant to the provisions of Authority's Construction Fund, created and established under Resolution No. 68-18, adopted by the Authority on June 13, 1968, as amended, (the "1968 Resolution"), or the Authority's Construction Fund created and established under Resolution 98-06 adopted by the Authority on February 26, 1998, as amended, (the "1998 Resolution") (collectively, "the Resolutions"). Each Drawing shall bear interest daily until paid in full from the date such Loan is made until its repayment at a variable rate of interest, which rate may be revised monthly, per annum equal to the Lender's cost of funding for taxable variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Loan. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to the Loan will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Lender of the statement referred below, from any available moneys of the Authority. Not later than the fifth (5<sup>th</sup>) Banking Day of each month the Bank shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on the Loan for the preceding month. The Loan may be prepaid at any time by the Authority without penalty or premium. This Note is issued pursuant to a Loan Agreement between the Authority and the Lender subscribed on this same date.

The Authority waives the requirement of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

If the Authority defaults in making any payment when due under this Note, the Lender may declare this Note to be immediately due and payable.

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due under this Note, the Administration agrees to pay a liquidated sum equal to 10% of the principal sum of this Note to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.

All acts, conditions and things required by the Puerto Rican Federal Relations Act and the Constitution and Laws of the Commonwealth of Puerto Rico to happen, exist, and be performed precedent to and in the issuance of this Note have happened, exist and

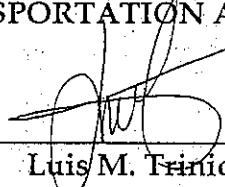

have been performed as so required. This Note shall be construed in accordance with the laws of the Commonwealth of Puerto Rico.

IN WITNESS WHEREOF, PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY has caused this note to be signed by its executive director and its corporate seal to be affixed hereto, in San Juan, Puerto Rico, this 19th day of March, 2008.

LEY 47 DE 4 DE JUNIO DE 1982

UNITED STATES OF AMERICA  
COMMONWEALTH OF PUERTO RICO  
PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY

\$147,113,000.00

June 30, 2009

 PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY (hereinafter called the "Authority"), a public corporation and autonomous instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay, solely from the sources described in the Loan Agreement mentioned herein, to the order of Government Development Bank for Puerto Rico (the "Lender") at its principal office in San Juan, Puerto Rico, on June 30, 2009, subject to prepayment as set forth below, the principal sum of **ONE HUNDRED FORTY SEVEN MILLION ONE HUNDRED THIRTEEN THOUSAND DOLLARS (\$147,113,000.00)** to the extent that such amount or any portion thereof has been borrowed by the Authority under the Loan Agreement (hereinafter defined) and remains unpaid. Such payment shall be made in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Authority hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from proceeds of bonds to be issued by the Authority pursuant to the provisions of Authority's Construction Fund, created and established under Resolution No. 68-18, adopted by the Authority on June 13, 1968, as amended, (the "1968 Resolution"), or the Authority's Construction Fund created and established under Resolution 98-06 adopted by the Authority on February 26, 1998, as amended, (the "1998 Resolution") (collectively, "the Resolutions"), or with the proceeds of the Operational Management Agreement for the Private/Public Partnership on Highway PR-22 to be entered by the Authority with a third party yet to be determined. If these measures are not implemented successfully, or do not produce the projected benefits, the Authority will implement the necessary increases in tolls for the repayment of the Line of Credit.

Each Drawing shall bear interest daily until paid in full from the date such Loan is made until its repayment at a variable rate of interest, which rate may be revised monthly, per annum equal to the Lender's cost of funding for taxable variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Loan. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to the Loan will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Lender of the statement referred below, from any available moneys of the Authority. Not later than the fifth (5<sup>th</sup>) Banking Day of each month the Bank shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on the Loan for the preceding month. The Authority may prepay the Line of Credit at any time without penalty or premium. This Note is issued pursuant to a Loan Agreement between the Authority and the Lender subscribed on this same date.

The Authority waives the requirement of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

If the Authority defaults in making any payment when due under this Note, the Lender may declare this Note to be immediately due and payable.

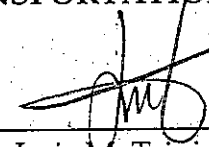

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due under this Note, the Administration agrees to pay a liquidated sum equal to 10% of the principal sum of this Note to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.

All acts, conditions and things required by the Puerto Rican Federal Relations Act and the Constitution and Laws of the Commonwealth of Puerto Rico to happen, exist, and be performed precedent to and in the issuance of this Note have happened, exist and have been performed as so required. This Note shall be construed in accordance with the laws of the Commonwealth of Puerto Rico.

IN WITNESS WHEREOF, PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY has caused this note to be signed by its executive director and its corporate seal to be affixed hereto, in San Juan, Puerto Rico, this 6<sup>th</sup> day of August, 2008.
